### Dosage & Usage

-  Layer Premix – 500 g per ton of feed
-  Broiler Premix – 500 g per ton of feed
-  Layer Breeder Premix – 500 g per ton of feed
-  Broiler Breeder Premix – 1000 g per ton of feed

### Packaging & Presentation

-  20Kgs laminated BOPP bags
-  Store in Cool and dry place

### Manufactured & Marketed by

Amnion Biosciences Pvt Ltd Survey No: 64/4, Chikkanahalli  
Village Nelamangala Taluk, Thyamagondlu Hobli, Bangalore Rural District Karnataka 562123
